VOL. I.

ISSUED TO THE SUBSCRIBERS BY PHILLIMORE & Co.,

1908.

PREFACE.

The present volume is the first of a series which the Editor hopes may be continued until all the Parish Registers of Berkshire have been printed.

The advantage of having our ancient parish registers thus rendered accessible to the student is obvious. Great progress has been made in the neighbouring counties: no less than fourteen volumes of Gloucestershire Registers, eleven of Hampshire and six of Wiltshire have already been issued. The Editor trusts that, now the Berkshire series has been commenced, it will be possible to issue two volumes annually; but to secure such progress both transcribers and subscribers are requisite.

The important Register of the town of Wantage has been selected for the commencement of the series, and it will be seen that the entries in it are very numerous, filling indeed nearly the whole of the volume.

The transcript has been prepared under the direction of Canon Ponsonby, Vicar of Wantage, by Mr. W. Pumfrey, of Wantage, to whom the Editor's thanks are due for the great care taken by him and for the valuable assistance rendered as it passed through the press. The Editor also has to gratefully acknowledge the assistance of the Rev. J. F. Williams who transcribed the West Woodhay marriages.

1379045

It has been thought desirable, as in other volumes of the series, to modernise the spelling of christian and place-names, but the spelling of the surname is given in all cases exactly as in the original entry, which, though

abstracted in an abbreviated and uniform style, contains all information relating to age, parentage, vocation and place of abode, which is contained in the original.

This volume, like others, in these series, is issued without an index. The Editor hopes that it will be feasible hereafter to issue a general index for the whole county, and thus avoid that great evil—an undue multiplicity of indexes. Moreover, by postponing index-making, we expedite the printing of the Registers themselves, a matter of no small moment when we remember the serious risks of fire, theft and forgery, not to mention those of natural decay and accidental loss, to which these valuable records are continually exposed.

The following abbreviations are made use of:—

w.=widower <i>or</i> widow.	p.=of the parish of.
s.=spinster, single woman, <i>or</i> son.	co.=in the county of.
b.=bachelor <i>or</i> single man.	dioc.=in the diocese of.
d.=daughter.	lic.=marriage licence.

It may be well to remind the reader that these printed abstracts of the registers are not legal “evidence.” For certificates application must be made to the local clergy in charge of the Registers, by whom they will be gladly supplied.

It only remains to add that the Editor will gladly welcome further assistance in the way of transcribing Marriage Registers. Such volunteer help alone renders it possible to issue this series of the Parish Registers of Berkshire.

Berkshire Parish Registers.

Marriages at Wantage,

1538 to 1837.

NOTE.—According to a statement in a “Terrier and Inventory” signed by the Vicar, the Churchwardens, and others, at the Easter Vestry, 1897, a copy of which was forwarded to the Dean and Chapter of Windsor, the Schedule of the Wantage Parish Registers was then as follows :—

Twenty Parish Registers; the Baptisms dating from 5 Jan. 1540; the Marriages from 23 Oct. 1538; and the Burials from 14 Jan. 1542.

The following entries are contained in nine volumes.

Vol. I., bound in leather, consists of parchment leaves, 10 $\frac{3}{4}$ by 6 $\frac{1}{2}$ inches, not paged. The middle portion contains Marriages from 23 Oct. 1538 to 1653.

Vol. II., bound in leather, consists of parchment leaves, 12 $\frac{3}{4}$ by 8 $\frac{1}{2}$ inches, the first two portions being paged. The middle portion, from p. III to 134, contains Marriages from 1653 to 1704.

Vol. III., bound in vellum, consists of parchment leaves, 10 by 8 $\frac{1}{2}$ inches, not paged. The middle portion contains Marriages from 1705 to 1749.

Vol. IV., bound in leather, consists of parchment leaves, 14 $\frac{1}{2}$ by 9 $\frac{1}{2}$ inches, paged from both ends. The middle portion, 231-232 contains Marriages from 1749 to 1754.

Vol. V., bound in leather, consists of leaves, with printed forms, 14 $\frac{1}{2}$ by 9 $\frac{1}{2}$ inches, paged. The first 102 pages contain Marriages from 1754 to 1774.

Vol. VI., bound in leather, consists of leaves, with printed forms, 14 by 9 inches, paged. The latter portion, paged 1-239, contains Marriages from 1774 to 1804.

Vol. VIII., bound in leather, consists of paper leaves, 15 by 9 $\frac{1}{2}$ inches, the principal portion being blank. The first 41 pages, unpagged, contain Marriages, with forms in MS., from 1804 to 1812.

Vol. X., bound in leather, consists of leaves, with printed forms, 15 by 9 $\frac{1}{2}$ inches, paged 1-199. It contains Marriages from 1813 to 1838.

Vol. XIII., bound in cloth, consists of leaves, with printed forms, 9 $\frac{1}{2}$ by 14 $\frac{1}{4}$ inches, paged 1-250. It contains Marriages from

1837 to 1861. The first 14 entries are copied, with the exception of certain additional particulars, from Register No. X., pages 195-199.

These Marriages have been abstracted by Mr. Wm. Pumfrey, for the Hon. and Rev. Canon M. J. Ponsonby, Vicar of Wantage, with whose sanction they are now printed.

Marriages at West Woodhay,

1653 to 1812.

NOTE.—The Marriages are comprised in four volumes. Vol. I. Five parchment folios, 15 ins. by 4 ins., all that remain of a larger book. Contains Baptisms, Burials and Marriages, 1653 to 1688.

Vol. II. Seven parchment folios, roughly 14½ ins. by 8 ins. Contains Baptisms, Burials, and Marriages, 1692 to 1725. These two volumes were bound up together in a new cover in 1907.

Vol. III. Six parchment folios (originally more), 14½ in. by 5¼ in. Rebound in original cover in 1907. Contains Baptisms, Burials, and Marriages, 1725-1744.

A Volume is evidently missing after this, the next Baptismal and Burial entries being dated 1771.

Vol. IV. containing the Marriages 1756-1812, is a volume of the usual printed forms.

These extracts have been made by the Rev. J. F. Williams, of Burghclere, and are now printed by permission of the Rev. H. E. Robson, Rector of West Woodhay.
